AN APPEAL

We have been asking various members of the churches to remember the boys in the armed forces overseas whom are former members of the Church of the Holy Apostles. The boys have very little contact with the Continental United States other than by correspondence. In spite of their busy days, they are willing to correspond with new friends which they hope to see after their return to America.

Listed below are the names of the boys serving overseas, the boys in the United States to follow later.--Can't you do your bit by keeping up the morale of the boys by writing?

IN THE MAIL BAG

Eugene, Uyeki, Salt Lake City, Utah.....Gee evacuation was a very big thing to us, but here on the outside, the majority of the people don't even know we were evacuated.

The Rev. Daisuke Kitagawa, Minn...This is to let you know that both Wanda and Risa have safely arrived in Minneapolis and now in the good hands of Dean Little-

ford and Dr. Weaver of Faribault. Yesterday at the clergy conference of the diocese, I met the Deanand he seemed to be very happy with these three girls attending the church quite faithfully. I am planningto visit Faribault as soon as I can get away fromtown for a day...It looks as if I am after all attending a conference sponsored by the American Friends Service Committee in Seattle which is going to meet in Nov,16 and 17.

The Rev. G. Gardner Monks, Lenox School, Mass..... Last year, Howard Suzuki's experience at Lenox was a grand success all around, and there is no reason to assume this year will be less so. We have asked himto act as a sub-perfect and to assist in the supervision of a group of younger boys. He is certainly a grand-youngster himself, and you must feel proud of him.

Grace Nagiwara, Chicago, Illinois.....I'm due for another holiday because it's Yom Kippur-aJewish holiday I think it is the 10th day after Rosh Hoshana- Jewish New Year, which fell on last monday. As you know, Michael Reese Hospital is Jewish and staffed with Jewish workers, therefore being a small group, we Gentiles also are allowed to observe these religious holidays.... Paul Hiyama took me out to dinner and from all indications he seemed to have enjoyed his five weeks at Hunt espcially due to the company he kept.

Philadelphia, Pa. Kikue Kikuchi.....We just returned to Philadelphia after spending-----I did------a busy, wonderful and boring summer at the shore. Wonderful because it was wonderful to see the clean refreshing air and boring because I knew and let none suitable for companionship. Let's see, durin all the time there I met, accidentally, only three niseis and only three times. Somehow I managed to keep myself company.

Fumi Shitamae, Philadelphia, Pa....In Yellow Springs, I met Mrs. Nakahashi and Sammy and was invited to a dinner at which they were present. Sammy appeared happy enough but seemed a bit lonely. Mrs. Kakahashi says she enjoys her work and the Lomekes a great deal. It was nice to see George tpp who was down visitng his mother from Fort Snelling.
